FOR IMMEDIATE RELEASE

CTSI Acquires DavEd Fire Systems

Acquisition expands CTSI's footprint into New York metropolitan area and deepens expertise in fire alarm

Chantilly, VA, May 25, 2021/PRNewswire/ – Corbett Technology Solutions, Inc. (“CTSI”), a portfolio company of Wind Point Partners (“Wind Point”), announced today the acquisition of DavEd Fire Systems, Inc., (“DavEd” or the “Company”), a provider of fire alarm and security system design, integration, maintenance, and managed services.

Founded in 1982, DavEd offers state of the art, reliable, and innovative fire alarm and security systems throughout the New York and New Jersey metropolitan areas. The Company partners with customers across all fire system needs, from design through implementation, as well as 24-7 emergency service and maintenance.

“We here at DavEd are extremely excited to join the CTSI family,” said David Hoshia, President and Founder of DavEd. “CTSI is known throughout our industry as a leader and innovator, and those core values – combined with a willingness to truly partner with customers and deliver tailored solutions – makes their culture a tremendous fit with DavEd.”

Joe Oliveri, President and CEO of CTSI noted, “For almost four decades, DavEd has dedicated itself to solving customers’ fire alarm and security challenges, and we look forward to continuing that legacy and serving DavEd’s customers. In addition, CTSI is now able to serve our existing customers with locations in the New York Metropolitan area and deliver local support for technologies across our portfolio.”

Nathan Brown, Managing Director at Wind Point Partners, commented, “A core focus of CTSI’s value creation plan has been an emphasis on growth through acquisition, and DavEd represents an excellent addition to CTSI’s leading platform. This acquisition further enhances our capabilities in the fire alarm space and continues to expand CTSI’s footprint and ability to serve customers across multiple geographies.”

DavEd represents the second acquisition for CTSI since partnering with Wind Point in June 2020. CTSI’s acquisition strategy will continue to focus on acquiring leading communication, collaboration, life-safety and security solution providers with complementary employee-focused cultures and a trusted commitment to customers.

About CTSI

For over five decades, CTSI has been at the forefront of technology integration and innovation with critical communications, collaboration, audiovisual and security solutions for enterprise, government, healthcare and education customers. With an engineering-driven culture, we deliver best-in-class solutions and services with highly trained, lean-certified user experience practitioners, programmers, technicians,

engineers and customer care representatives. CTSI delivers unmatched design, installation, integration and managed and subscription services that deliver high-quality, end-to-end results tailored to customers' unique needs and challenges.
